Oak	30% new French oak for 16 months
Alcohol	14.5%
PH	3.60
Titrateable Acidity	6.0 g/L
Bottling Date	January 12th, 2015

TASTING NOTES

Nose: Blueberry, black cherry and ripe of strawberry notes intermingle with hints oak and blackberry jam to create a lush aromatic bouquet.

Mouth: Dark fruits with a deep purple core. Richly textured with a broad and opulent mouthfeel. Fine tannin and bright, balanced acidity keep this wine fresh but decadently layered.

FACTS OF NOTE

ONE-OF-A-KIND

Our first estate blend

CELEBRATE

Ready to be enjoyed upon release

UNIQUE BLEND

2 vineyards, 8 clones

A celebration of two estate vineyards - one, a Sonoma Coast property developed specifically with Pinot Noir in mind and another residing within the Russian River Valley hosting some of the coolest conditions within the appellation.

Gap's Crown, comprised of steep hillsides and sweeping elevation changes, is all about a professional singular focus on Pinot Noir. We find the fruit hangs a little longer creating more balanced and evolved flavors. We enjoy a long-term lease on these vines and have worked with the vineyard since 2006.

Keefer Ranch, hidden in the southwestern corner of the Russian River Valley, features gently rolling hills, fog, breezes and fresh nights. The grapes farmed here hold a natural acidity and elegance. A heralded property; that has been in the Kosta Browne family since 2005, we were able to purchase it in 2013.

Together, these vineyards represent our first moves as winegrowers. This wine commemorates that occasion.
