### FACTS OF NOTE

BARRELS

10 types of new French oak barrels used

FERMENTATION

3% in concrete egg

PLANTED

1988

This Estate vineyard lies within Green Valley, in the southwestern corner of the Russian River Valley. Here, gently rolling hills harbor some of the coolest conditions within the appellation - fog, breezes and fresh nights help vines balance their ripening with warm afternoon sunshine. A heralded property, Keefeer has been in the Kosta Browne family since 2005 and we are drawn to the terrific natural acidity and elegance in the grapes we farm here.

In 2013, we were delighted to strengthen our relationship with this iconic Pinot vineyard by purchasing 20 acres. We are proud to continue Marcy Keefeer's legacy by producing incredible wines.
