

KOSTA BROWNE SINGLE VINEYARD WINES

2019 Garys' Vineyard Pinot Noir

A Unique Partnership Between Two Legendary Characters

Established in 1997, Garys' Vineyard is a partnership between the acclaimed Franscioni and Pisoni winegrowing families. Though located just a couple of miles south of Rosella's Vineyard, Garys' yields its own profoundly unique expression of Pinot Noir. Like the two pioneering Garys who founded it, this luxurious wine is larger than life.

Crafted from the tightly-clustered and thick-skinned Pisoni clone, it is intrinsically broad with opulence. On the palate, it delivers decadent raspberry, blackberry, baking spices and alluring dark chocolate notes, offset with light tannins —an attention-catching wine.

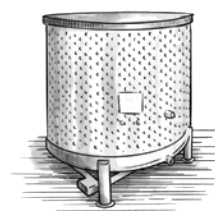

Fact of Note: Harvested and transported fruit via small picking bins to preserve the integrity and freshness of the fruit during transportation.
