

KOSTA BROWNE SINGLE VINEYARD WINES

2019 Giusti Ranch Pinot Noir

Farmed By the Guisti Family Since the 1870s

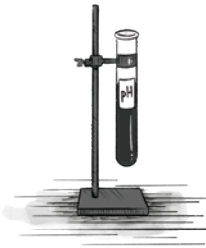

The Giusti family has farmed this eponymous property since the 1870s and has some of the deepest roots in Russian River Valley grape growing. Located in a somewhat warmer region of the Russian River Valley and featuring ideal Goldridge soils, this historic property consistently delivers one of our most sumptuous Pinot Noirs.

Like a great Grand Cru wine, the 2019 Giusti Ranch Pinot Noir brings structure, breadth, and flavor effortlessly. Bursting with a mélange of fruit – blackberry, raspberry, strawberry, and dried cranberry captivate the palate, while enticing aromas of vanilla bean and leather excite the senses. This wine is built to last.

Fact of Note: The entire vineyard was picked during the first three days of harvest.
