

KOSTA BROWNE SINGLE VINEYARD WINES

2019 Kanzler Vineyard Pinot Noir

Classic Goldridge Soils Combined with Cool Coastal Climate

Planted in 1996 and located 8 miles from the Pacific Ocean, Kanzler Vineyard is recognized as one of the jewels of the Sonoma Coast. Since 2002 we have been crafting a Single Vineyard Pinot from this site, and currently, the vines average more than 20 years of age which means the site is in its glorious prime.

Dynamic high tones of fresh blueberry, candied hazelnut, apple skin, and sour cherry, the 2019 Kanzler Pinot Noir showcases an impressive palate with delicate chalky tannins. Elevated aromatics entice while subtle herbal notes travel across the mouth. This iconic wine helped put KB on the map.

Fact of Note: Long growing season allows Kanzler to achieve peak ripeness, texture, phenolics, and taste.
