

KOSTA BROWNE SINGLE VINEYARD SERIES

# 2020 El Diablo Chardonnay

## Low Yields with Intense Flavor

Planted in 2008, El Diablo Vineyard has an average elevation of 500 feet. This tightly spaced vineyard encourages competition between the vines for a fixed amount of nutrients, resulting in reduced yields and exemplary quality.

Our 2020 El Diablo Vineyard Chardonnay was crafted from the famed Montrachet, Robert Young, and Wente clones, grown in ideal Goldridge soils. Aged for 14 months in 65% new French oak barrels, it is a fresh, zesty, and intensely aromatic Chardonnay with hints of sea spray salinity. On the palate, compelling layers of sliced green apple, Meyer lemon, fleshy apricot, and ripe orchard fruit are underscored by an electric energy that carries the flavors to a sleek and silky finish.

**Fact of Note:** The Robert Young clone was split between two individual lots to accentuate the texturally rich and intense body of El Diablo.
