2021 Keefer Ranch Blanc de Blancs Effervescent Elegance

Keefer Ranch, renowned in the industry for its history of producing exceptional sparkling wine, has been a cornerstone of the KB journey for almost two decades. After crafting Pinot Noir from this incredible site since 2005, we are proud to release the second vintage of Keefer Ranch Blanc de Blancs Sparkling Wine.

Made in the traditional method from 100% Chardonnay using a very minimalistic winemaking approach, this unfiltered wine reflects the vineyard's authentic character. Aged in barrel and kept en tirage for two years, it exemplifies our dedication to craftsmanship and the profound impact of terroir.

Enticing aromas of crisp apple, quince, and citrus zest are delicately complemented by a hint of brioche. Each sip reveals a harmonious blend of natural richness and lively acidity. The fine bubbles linger gracefully, showcasing exceptional retention, elevating this sparkling wine's elegant texture.

Fact of Note: This vintage was 20% fermented in a small Austrian oak foudre.
