

KOSTA BROWNE SINGLE VINEYARD SERIES

2022 Rosella's Vineyard Pinot Noir

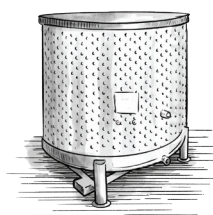

Rolling Vineyards Amongst The Lemon Groves

Planted by legendary winegrower Gary Franscioni in 1996 and named after his wife, Rosella's Vineyard features the coveted Pisoni clone, located in the northernmost part of the Santa Lucia Highlands, gracefully nestled amidst lemon groves above the picturesque Salinas River Valley. Strong winds and fog off the Monterey Bay ensure this region's long, temperate growing seasons, contributing to the unique character of the vineyard.

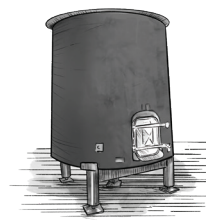

Fermented in a combination of stainless steel and concrete tanks, then aged for 16 months, the 2022 Rosella's Vineyard Pinot Noir embodies a perfect coalesce of sophistication and complexity.

This wine opens with an alluring bouquet of cherry, raspberry, violet, and cedar accented by orange peel and a hint of black tea. Balanced acidity enhances the vibrant red fruit, while well-integrated tannins lead to a long, elegant finish.

Fact of Note: Rosella's Vineyard was fermented solely in concrete and stainless steel.

36%
stainless steel

64%
concrete

Aged in 42%
new French oak
