

KOSTA BROWNE BURGUNDY SERIES

2022 Pommard Pinot Noir

Age-worthy with Robust Structure

The 2022 Burgundy vintage captures the essence of the region's finest terroirs, drawing comparisons to legendary years like 1949 and 1990 for its vibrant energy, freshness, and warmth. A proud testament to the relationships we've built within the Burgundian community and the remarkable vineyards we source from, this vintage represents our most exceptional efforts yet—an extraordinary expression of both place and time.

Pommard is an acclaimed commune in the Côte de Beaune of Burgundy, perched between the iconic villages of Beaune and Volnay. Though close in proximity, wines from these regions cannot be more diverse. Best known for its clay-limestone and iron-rich soils, wines from Pommard typically all have a powerful structure and deep, dark color with reddish-mauve highlights.

The 2022 Pommard Pinot Noir showcases a rich, fruit-driven profile with notes of ripe dark cherry and blackberry pie, complemented by fragrant blossoms and a touch of earthiness with a hint of pepper. This wine offers beautifully layered complexity that is broad yet approachable, culminating in a vibrant burst of fruit that lingers, delivering a lasting and impressive finale.

CELLARING

Our Burgundy Series wines are expressive with exceptional freshness, fruity aromatics, and captivating texture. We recommend cellaring this Pinot Noir between two and ten years. To preserve the nuance of each bottle, we suggest storage in a dark environment between 55° and 60°F, with 70% humidity.

TASTING NOTES

NOSE Ripe dark cherry and blackberry pie aromas are complemented by fragrant blossoms, a touch of earthiness, and a hint of pepper.

MOUTH Rich and layered, with flavors of blackberry, cherry, and raspberry that linger for an impressive finale.
